Frequently Asked Questions

WHICH TYPE OF PROFESSIONAL CREDENTIAL SHOULD I PURSUE?

There's no "right" credential to pursue first. The decision should align with your role and interests. If you are a regular user of the Samsara dashboard, starting with a Platform Specialist learning path is recommended. For those in leadership or program management, a Program Specialist event might be more suitable. However, we encourage professionals to consider earning both types of credentials over time, to gain a comprehensive understanding and expertise in various aspects of the Samsara platform and its applications.

credentialing events or engaging with a credential learning path.

CAN I EARN MULTIPLE CREDENTIALS?

Absolutely! We've observed that the most successful professionals often have a well-rounded skill set, combining extensive Samsara product knowledge with strategic program management best practices. You are free to **earn any combination of credentials** that best suit your professional needs and aspirations. This approach allows you to tailor your skill set to be as comprehensive and relevant to your role as possible, enhancing your effectiveness and versatility in the workplace.

ARE THERE ANY COSTS ASSOCIATED WITH EARNING A CREDENTIAL?

There are no costs involved in earning a professional credential virtually through Samsara. We provide this opportunity **free of charge**, making it accessible for professionals seeking to enhance their skills and knowledge without financial barriers.

HOW DO I RECEIVE MY CERTIFICATE OF ACHIEVEMENT AFTER EARNING MY CREDENTIAL?

For Program Credentials: You'll receive an email with your certificate of achievement, which you can download directly from that email.
For Platform Credentials: Your certificate appears in the Awards tab of your Academy learner dashboard once you've earned it.
